## FOREWORD

This 1938 La Mezcla is issued as a reminder in later life of the four happy years spent within the portals of Armijo. Here is a record of all the various school activities depicted either in photographs or print. Informal snapshots taken by candid camera enthusiasts; choice Senior baby pictures; class and organization photographs; all are included for your enjoyment and to insure a permanent record for years to come.

The Editor.

## SENIOR REVIEW

On Wednesday, June 1st, the class of 1938 was the thirty-fifth class to be graduated from Armijo Union High School.

We stand now on the ladder of life—our path is before us. Because we have been taught the fundamentals for securing happiness through worthy endeavor, and have experienced the joy of fine comradeship through student body associations, we should follow that path with straight forwardness and courage.

We, the class of 1938, are saddened at the thought of leaving our Alma Mater. We extend sincere thanks to our faculty for their four years of help in preparing us to meet life. May we always look back with pride at the deeds accomplished during our stay here, and fervently hope our fulfillments in life will be an honor to Armijo as well as to ourselves and our parents.

## SENIOR HISTORY

We, the class of 1938, are now at the end of the Armijo Trail. Entering as mere babes many moons ago, we were beset with many trials and tribulations. To help us to meet these war parties, we chose as our leaders the papooses Ruthe Crane, Edwin Wood, and Ruth Siebe. While we were still very young, we were welcomed into the tribe with a heap big war dance, better known as the Freshmen Reception.

We continued to grow in both stature and knowledge and soon found ourselves entering the second mile of the Indian Trail. Feeling more secure, we now decided that it was time for us to present a war dance. We elected the Little Chieftains Edwin Wood, Bill Hallisey, and Charlotte Bailard to carry out the various tribal ceremonies. This year was marked as a success in sports and scholastic achievements.

The third mile found us stronger and fleeter than ever. Our tribe could be found represented in every tepee along the Armijo Trail. We had the honor giving a powwow and war dance in honor of the Big Chiefs of Armijo, the Seniors. This was proclaimed as the biggest and best in years, adding another feather to our already large headdress. As our Chiefs, we chose Edwin Wood, Bill Hallisey, and Ruthe Crane.

Now we are completing our fourth mile and have risen to the highest of all positions----that of Big Chief. To guide us along this last lap, we elected Heap Big Chiefs George Maves, Chris Schandorff, and Mickey Scally. We are now allowed to deck ourselves with war paint and have our pictures taken so that our faces may be remembered along the Armijo Trail. The biggest feather in our headdress for the year was the presentation of the Senior Play, in which Indian Dramatists were allowed to show their prowess as thespians.

We have come to the end of our Armijo Trail which is crowded to overflowing with the memories of our varied and sundry activities. Along this trail, we have spent four happy years. Although we are soon to be scattered by the great winds along many near and distant trails, the Indians along the Armijo Trail will tell and retell of the success and bravery of the tribe of 1938.

## CLASS WILL

We, the Class of 1938, being on the verge of a nervous breakdown because of our four years of strenuous work at Armijo, do make this, our Last Will and Testament in the manner following:

First, to the Juniors, we leave our bright-feathered headress of leadership.

Second, to the Sophomores, we leave our polite silence at all times.

Third, to the Freshmen, we leave our priceless dignity.

And fourth, to the Faculty, we give our sincere thanks for their hopeless task of trying to drum some knowledge in our brains.

And lastly, as individuals, we make the following bequests:

I, Edwin Wood, do will my brains and ability to lead to Sammy Smith.

We, Jimmy Hopkins and Buddy Serpas, do will our dancing ability and personality to Tommy Scally and Kenneth Roberts.

I, Claude Belon, do will my kiddy-car and toys to Leo Pierscinski.

I, Clarence "Mac" McFee, do will my ambition to be a "drug store cowboy" to Guy Stewart.

I, Ruthe Crane, do will my vocal talent to Ada Sciacqua.

I, Mickey Scally, do will my figure, in fact, everything but Ed to Dora Peters.

I, Bern Chadbourne, do will my personality and boyfriends to Vesta Sheldon.

I, Lois Morgan, do leave my Vincent to.....on second thought, I won't leave Vincent at all.

I, Mildred Black, do will my Bill to any girl who thinks she has a chance.

We, Chris Schandorff and Louie Colla, do leave our marvelous physiques to Bill McDiarmid and Roy Mason.

I, Lorraine Weir, do will my sense of humor and ability to dance to Alice Valladao.

I, Keith Ridenhour, do will my "booful" eyes to Fu Man-Chu and Frankenstein.

We, George Maves and Howard Brame, do will our height to Glenn Smith and Eddie Tavalero.

I, Rose Goncalves, do will my lipstick to Mildred McGann.

I, David Jensen, do will my regular attendance to school to Eugene Hance.

I, Preston Whitney, do will my studiousness and dignity to Melvin Reams.

I, Kathryn Jacobson, do will my talent for modeling (if any) in return for ten easy lessons in truckin'.

I, Gertrude Mack, do will my height to Pauline Sama.

CLASS WILL (cont.)

I, Alice Toselli, do will my collection of bows to Shirley Temple.

I, Vernon Lawrence, do will my executive ability to Herman Campos.

I, Eric Reutern, do will my quiet and unassuming manner to Bob Gein.

I, Bill Hallisey, do bequeath my place at the wheel to my sister, Helen.

I, Victoria Pierce, do will my good looks to anyone that needs them-----if the shoe fits, etc-----.

We, Emily and Nora Lebedoff, do will our sweet dispositions to Ellamae Wren and Winnifred Moore.

We, Wylda Pangburn and Ruth Siebe, do will our deep friendship to Patsy Roberts and Barbara Macy.

I, Elaine Asanoma, do will my clothes to Franky McInnis.

We, Herb Thomas and Ted Okell, do will our bright-colored cowboy shirts to two other he-men.

I, Yumiko Oino, do will my slight figure to Josephine Juan.

I, Perry Smith, do will my two brothers to some other unlucky guy.

We, Tomoe Egusa, Shizuko Nishimura, and Alice Otsuji, do will our friendship to another three.

I, Francis Scholl, do will my sheep to Warren Thrower.

We, Joe Enos and Glenn Reams, do will our nice big cars to Norman Cashen and Bob Dittmer.

I, Claire Hansen, do will my size to Mae West Lambrecht.

I, Lillie Low, do will my adeptness at business to Buddy Bailard.

I, James Anderson, do will my love of argument to Betty Ann McInnis.

I, Joe Osada, do will my good-naturedness to Fern Lawrence.

I, Mary McCarron, do will my shortness to Dot Cooper.

We, Dorothy Tomasini and Dennie Chadbourne, do will our relations to anyone who wants that many.

I, Bill "Ducky" Eichler, do will my "jalopy" to anyone who has the patience to fix it.

I, Mary Terra, do will my future to Dorothy Freitas.

I, Art Gilbreath, do will my cigarettes to Kenneth Roberts.

## PUBLICATIONS

With the close of the 1938 school year, the ARMIJO STUDENT celebrates the end of its thirty-fourth year. First started in 1904, the STUDENT was a small printed paper which came out four or five times a year. Joe Danielson Sr., chairman of Solano County Board of Supervisors, was the paper's first manager.

The paper was first issued in mimeographed form about ten years ago. This method was found to be much cheaper than printing, so a larger paper could be put out.

A regular class in Journalism was formed two years ago under the capable direction of Miss Marie Larson. Up to this time, the paper had been put out by a class under the supervision of Miss Davis and the Office Practice Class under the direction of the late M. P. Sherman. The Office Practice class, with the aid of Mr. H. E. Stone, still does the stenciling and mimeographing.

A regular edition of the ARMIJO STUDENT now contains a minimum of seventeen pages, with special editions running as high as twenty-five pages. It is edited every Thursday, except during vacation. There have been several special editions this year, one of the most outstanding being the Snow White Edition. Colors of red, purple, blue, green, and yellow have been used to advantage along with the usual black ink, thus making the paper more attractive.

The year 1938 has been an eventful one for the paper staff and the Journalism class as they now belong to the QUILL AND SCROLL, National Honorary Society for High School Journalists, and to the National Scholastic Press Association, both being societies which only admit those papers which show a high standard of workmanship, both in make-up and in editorial content.

## GIRL SCOUTS

The Girl Scouts of Armijo had a record year in enrollment and activities this year under the leadership of Captain Marie Larson, and Patrol Leaders Charlotte Bailard, Leora McGann, Mildred McGann, Betty Ann McInnis, and Dorothy Cooper. One of the outstanding accomplishments of the year was the Green Spotlight, official Scout paper of our troop, edited by Charlotte Bailard.

In the fall a Court of Awards was held in the Scout "Little House" at which time many new members were invested.

The Spring Court of Awards, held April 7, was even a bigger success than its predecessor in the fall. For the first time in the history of Armijo, the Boy Scouts joined with the girls in an awards program. Troops from Napa, Benicia, Rio Vista, and Diamond Springs were guests of the local troops. Local and regional dignitaries were present to make awards. Mr. J. Evan Armstrong of Berkeley was the speaker of the evening. Honor presentations of hand tooled cases were made to Roy Sheldon, Principal J. E. Brownlee, and troop committee members for their services to the Armijo Girl Scouts.

Interesting badge meetings were held in March and April, at which qualified examiners tested the girls on star lore, photography, electricity, citizenship, first aid and kindred subjects of importance.

Many social affairs were planned and presented throughout the year, including a Valentine game party, a joint Halloween party, an informal Anniversary dance, a Scavenger Hunt, and two radio broadcasts.

Last year Camp Riverside was conducted at Guerneville on the Russian River from June 4 to 10, but closed inopportunistly because of rain. This year's Camp will be carried out in conjunction with the regional Girl Scout Camp at Chapparral, Big Basin, in the Santa Cruz Mountains. Money to support the Girls' summer encampment has always been raised by "Scout Skits", and this year an unusually good program was presented on April 22.

After a very successful year the Girl Scouts of Armijo wish to thank all their friends, both here in Armijo and in Suisun and Fairfield, for their wonderful cooperation and help in making this such a memorable and pleasant year.

## GLEE CLUB

This year's Glee Club, which was composed of 29 girls under the able direction of Miss Emily Reese, proved to be one of the best group of songsters the school has ever had.

The Club sang at various school and social functions about Suisun and Fairfield. In the month of November, the girls took part in a "Gay Nineties" program given in the Armijo auditorium. They dressed in the traditional hoop skirts and bonnets worn in that period. In February, the Glee Club gave a half-hour program at the Wednesday Club in Suisun. The group rendered eight lovely numbers and were well applauded for their efforts.

One of the most impressive performances put on by the Glee Club was during the Student Body Christmas program. The girls marched onto the stage carrying lighted candles, and dressed in robes of white. This idea was appreciated by the student audience.

Exchange programs were given with Vacaville, and Rio Vista. Each program was quite popular with the students at both the above mentioned schools.

The Annual Music Festival in which all the schools in the surrounding districts participated was one of the most successful programs given by the girls this year.

The last event of the year in which this society took part was the long-awaited-for commencement, during which the girls sang as beautifully as they could, knowing that for some, it would be their last song as a member of the Armijo Glee Club.

Miss Reese can be congratulated for turning out such an excellent group with such high qualities of voice.

We, the members of the Armijo Glee Club wish the same success for the future Glee Clubs of Armijo: Dorothy Braker, Drusella Chadbourne, Marjorie Chadbourne, Dorothy Cooper, Ruthe Crane, Josephine De Gracia, Margaret DeTar, Virginia-lee Hendrix, Josephine Juan, Ethel Lebedoff, Dorothy Mason, Mary McCarron, Mildred McGann, Winnifred Moore, Yumiko Oino, Martha Roberts, Carmen Rozadilla, Ada Sciacqua, Eleanor Schaffer, Vesta Sheldon, Jean Stell, Lorraine Weir, Marjorie Wing, Ellamae Wren, Barbara Wright, Connie Rodriguez, Ampara Cintas, and Esther Sorenzen.

### BAND AND ORCHESTRA

The music department was blessed this year with an unusually fine group of musicians. Since the band was rather small last year, Mr. Newell persuaded some of the pupils in the orchestra to take up band instruments. This system has worked out quite well, and the organization has really "gone to town". The band played for most of the football and basketball games, and because it was apparent that we had a good band, Mr. Newell received a letter inviting us to play at the annual Davis picnic. The picnic was called off though, so we only had the honor of being invited.

The band and orchestra played for different school plays put on by the dramatics class, and for the local play given by Joe Chadbourne. The orchestra also added a certain solemnity to the Commencement exercises. The crowning achievement of the year came when the schools of Solano County gathered in the Armijo auditorium to take part in the annual Music Festival. Of course, Mr. Newell was not to be outdone in musical ability so the orchestra and band took difficult pieces and really made them sound fine and beautiful.

Our music department also has high hopes for next year because only a few musically inclined students are to graduate this year.

### SCIENCE CLUB

The assemblage of the Chemistry Class and the Physics Class formed the Science Club on December 9, 1937. The elected officers were as follows: George Maves, President; Bob Jones, Vice-President; and Marjorie Chadbourne, Secretary. Due to a large membership of the Science Club, it was necessary to hold individual Science Club meetings of the Chemistry and Physics classes. The President and Secretary of the Club took charge of the Chemistry division and the Vice-President and elected Secretary, Olive Dowdell took charge of the Physics division. The meetings consisted of topics of Science interest. Edwin Wood, Isabel Turner, Dick Harris, and Eric Reutern gave the outstanding topics of the club. The club is looking forward to its annual picnic.

## DRAMATICS

For the first time, pupils were given a chance to take Dramatics for a whole year instead of only one semester. The first semester class was composed almost entirely of Junior students who gave very good performances in the plays Elmer, Who Says Can't?, The Cheer Leader, and the Shooting Star.

The second semester class was Senior Dramatics and only fourth year students were in the class. The first play given was Wienies On Wednesday. The cast was: Mr. Foster--Clarence McFee, Mrs. Foster--Wylde Pangburn, Marian--Dennie Chadbourne, Jack--Ted Okell, Madame Castinelli--Charlotte Bailard.

A burlesque, The Idlings Of The King, was the second play given. The players were King Arthur--Edwin Wood, Guinevere--Ruthe Crane, Lancelot--Howard Brame, Merlin--David Jensen, Modred--Keith Ridenhour, Page--Jim Hopkins.

For the exchange program with Rio Vista and Vacaville, The Unicorn And The Fish was presented. Those who took part were: Mr. Foster--Francis Scholl, Mrs. Foster--Ruthe Crane, Marian--Mickey Scally, Jack--Jim Hopkins, Mortimer de Lancy--Edwin Wood. This play was also a part of the annual Scout Skits.

The Trail Of The Lonesome Pine was selected as the Senior Play. The cast was follows:

Bub Tolliver-----	Ted Okell
Uncle Billy Beams-----	Clarence McFee
Ellie May Beams-----	Ruth Siebe
Red Fox-----	Herbert Thomas
Ole Hon-----	Ruthe Crane
Sal Tolliver-----	Mildred Black
June Tolliver-----	Mickey Scally
Judd Tolliver-----	Francis Scholl
Hannah Tolliver-----	Charlotte Bailard
Dave Tolliver-----	David Jensen
Loretta Tolliver-----	Dennie Chadbourne
Jack Hale-----	Howard Brame
Anne Saunders-----	Wylde Pangburn
Maw Falin-----	Mary McCarron

### SPANISH CLUB

The Spanish Club, consisting of members of the Spanish II class and those in the Spanish I who have received A's is made up of twenty members, including our advisor, Miss Carlson. Officers were as follows: President, Mike McInnis; Vice-President, Evo Carvalho; Secretary-Treasurer, Dorothy Braker.

The members have been corresponding with boys and girls of foreign countries, such as Latvia, Sweden, England, France, Africa and others. Some of the other activities were for example: the first party of the year at the Scout House; a party held at Frances Mason's home, including a weinie roast, taffy pull, marshmallow toasting, dinner, games, and dancing; attending "Firefly" at the Suisun Theatre; a Progressive Dinner, which was held at the Scout House as a surprise party for Dorothy Mason, a swimming party and a barbecue at Roy Sheldon's.

### FRENCH CLUB

The French Club, composed of the second year French students and under the guidance of Miss Carlson, has had a most successful year. At the first meeting the following officers were elected. Edwin Wood, President; Bernyce Chadbourne, Vice-President; Dorothy Tomasini, Secretary; Betty Ann McInnis, Board of Control.

A delightful Christmas party was held in the cafeteria on December sixteenth. It was planned and carried out by the Club in general. On February the sixteenth, the initiation of the honor students of the first year French class was held. The initiation was under the supervision of Leora McGann, while Betty Ann McInnis headed the refreshment committee. The lucky initiates were Mary Jeanne Sherman, June Vogel, Barbara Roney, and Olive Dowdell.

One of the most active individual projects carried on by the members was corresponding with students of other countries. Among the interesting souvenirs received were: newspapers, postal cards, snapshots, guide books, and stamps.

## LATIN CLUB

Featured among the activities of the Latin Club for the year 1937-38 was the foreign correspondence carried on by most of the members of this organization. Letters received were read in all the language classes of the school.

The various academic and social events scheduled were under the efficient and capable direction of the following officers:

President	Katherine Stauffer
Vice-President	Charlotte Bailard
Secretary	Mildred McGann
Board of Control	Barbara Roney
Entertainment Committee	Kathryn Jacobson and Mildred Black

These officers were elected at the first meeting in the fall.

Twenty students comprised the total membership of the club. Second year students were automatically admitted and first year students qualified who made A's at the end of the first semester.

A wienie roast was held at Glashoff's, and the club was surprised by a huge cake which Mrs. Glashoff had prepared. On February 15, a skating party was given for the A and B students of the first year Latin class, at which time nine students were initiated into the club.

A swimming party at Glashoff's and theatre parties were also fully enjoyed by the club. The latter culminated a splendid year for the Caesar translators.

## MATH CLUB

The organization of the Math Club this year was different from years previous. The only carry-over was the club name--Eta Beta Pi. There were only seven members left from last year. These seven were organized in a body of seven Commissioners. These seven Commissioners were: Commissioner of Parliamentary Procedure, serving in capacity of chairman, Edwin Wood; Commissioner of Parliamentary Analysis, serving in a judicial capacity, Eric Reutern; Commissioner of Archives, secretary to you, George Maves; Commissioner of Finance, self-explanatory, Kathryn Jacobson; Commissioner of Liaison, that's Board of Control, Bill Hallisey; Commissioner of Expansion, patron of new members, Bernyce Chadbourne; Commissioner of Functions, or hostess if you will, Dorothy Tomasini. The officers were chosen by lot. Mr. Dan O. Root was the faculty advisor.

As is customary, all third year math students automatically become members of that great organization, Eta Beta Pi at the beginning of the second semester. On February 2nd, 1938 A.D., twelve youngsters were formally installed as Neophytes, future Commissioners. Those established as Neophytes were: Barbara Bickford, Manuel Campos, Elsada Chadbourne, Evelyn Dotemoto, Tomoe Egusa, Stanley Harris, Bob Jones, Louis Kojima, Betty Ann McInnis, Donald Tomasini, Dan Uchimoto, and Richard Wilson.

## SENIOR TRIBUTE

Year after year they come and go,  
Passing on thru Armijo's door  
Till the years are over, then  
Gone is that class--to return no more.

Our colors; purple for high position, and  
Gold for honor, truth, and fame.  
Significant of our endeavor  
For a strong and worthy name.

We've memories that never perish,  
We do feel proud to have been a part.  
Thoughts and dreams of youthful pleasure,  
We'll keep forever in our heart.

Armijo has to each grown dearer,  
As the years and months have fled;  
As the parting time descends us,  
And the sad goodbyes are said.

L. Weir, '38

### BLOCK "A" SOCIETY

Swinging into session, the Block "A" started the school year by electing as officers: President, Louie Colla; Vice-President, Manuel Campos; and Secretary, Mike McInnis.

The purpose of this organization is to: (1) promote school spirit, (2) observe the standards of sportsmanship, (3) cultivate more courteous and friendly relations between schools (4) observe high scholarship standing.

Block "A" members, qualifying in scholastic grades and having earned at least one block, were: A. Toselli, R. Hance, L. Colla, Jack Hopkins, P. Smith, E. Carvalho, M. Campos, R. Gein, R. Jones, E. Wood, G. Maves, S. Bayona, Jim Hopkins, W. Valladao, C. Schandorff, B. Serpas, F. Scholl, F. Munoz, E. Mack, S. Asis, W. Hallisey, C. Ridenhour, J. Osada, L. Chan, C. McFee, J. Anderson, K. Ridenhour, W. Ward, D. Tomasini, R. Dittmer, E. Hance, S. Harris, and M. McInnis.

### SCHOLARSHIP SOCIETY

The officers of the Scholarship Society during the past year were Bob Jones, President; Edwin Wood, Vice-President; and Mary Jeanne Sherman, Secretary. The lamp of knowledge pin was presented to Lillie Low after the first semester, and it is expected that Edwin Wood and Yumiko Oino will receive theirs at the end of the year. This pin entitles the owner to a life membership in the California State Scholarship Society and a gold seal on his diploma.

To belong to the Scholarship Society one must have semester grade averages which total 10 grade points, toward which an A counts 3 points, and a B, one point. Upon joining the organization one receives a small gold pin, which he may keep as long as he remains a member. To earn a lamp of knowledge pin, one must belong to the society six semesters, one of which is in his Senior year.

The present members are: Olive Dowdell, Edna Fone, Kathryn Jacobson, Bob Jones, Lillie Low, Dorothy Mason, Mildred McGann, Betty Ann McInnis, Franky McInnis, Mike McInnis, Felipe Napola, Beverly Newell, Yumiko Oino, Wylda Pangburn, Eric Reutern, Kenneth Roberts, Barbara Roney, Mary Jeanne Sherman, Ruth Siebe, Katherine Stauffer, Jane Stewart, Dorothy Tomasini, Warren Uchimoto, Wilton Ward, Edwin Wood, Wanda Wood, and Clarence Woodard.

### G.A.S.

Under the able leadership of the faculty advisor, Miss Marie Larson, many sports and social events were completed by the G.A.S.

In the fall the organization held a rally for the Freshmen girls to quicken their interest in school events and sportsmanship.

Throughout football and basketball season the girls sold candy and pop to the cheering throngs. The receipts from this project were invested profitably in the fine archery equipment now being used to make expert marksmen. Badminton and ping pong equipment was also purchased.

The numeral day of the G.A.S. has become a part of this active group, and every Friday white blouses or sweaters with the awards earned are worn. This idea helped a great deal to support the Armijo spirit of which the girls are so proud.

Because they saw the need of something new in the way of color, the girls organized the drill team of 32 members. This, together with the many purple and gold pom poms they so carefully made, aided materially in the well organized rooting sections for the boy's competitive sports meets.

The G.A.S. had a social evening party at the Scout House on Halloween, at which time they invited the Vacaville Olympia. A jolly evening was spent with guests and members.

With the coming of spring the Armijo fairer sex became more athletic and organized a varsity team which participated in competitive basketball games with St. Vincent High School of Vallejo, St. Joseph of Sacramento, and Ursuline College, Santa Rosa.

The girls made plans for a hike and Play Day to be held at Green Valley Falls, but due to inclement weather conditions, it had to be postponed twice and was finally substituted by a hay ride and initiation. The initiation was in the form of a swimming party held at Newman's. These last two activities both took place in May.

The officers for the year were: President, Bernyce Chadbourne; Vice-president, Wylde Pangburn; and Secretary, Ruth Siebe.

## GIRLS' BASKETBALL

Girls' basketball this year proved to be a sport endowed with enthusiasm, pep, and vigor on the part of the Indian Squaws.

The keenest rivalry in interclass teams was that of the Sophomores and Seniors. The laurels went to the Sophomores who won every game they played. The Seniors won 5, lost 1; the Juniors won 2, lost 4; and the Freshmen lost 5.

The total number of girls going out for this breathtaking sport was 44. 30 of these girls made first string points, and 11 second string.

Out of these interclass competitive games developed the purple and gold varsity. As fine a team as ever you'll want to see sprung up under the expert coaching of Miss Larson with the help of manager, Elaine Asanoma. This group was one of the cleanest playing, and fastest moving teams that Armijo has seen for a long time.

The Varsity played Santa Rosa's Ursuline College, Vallejo's St. Vincent Academy, and Sacramento's St. Joseph Academy. They combined with Rio Vista's Varsity to compete in a Play Day program. The girls made a very attractive show in their suits of gold satin with purple trimmings. This was also a new and original idea.

The line-up of the Varsity was as follows:

Guards: Elaine Asanoma, Wylde Pangburn, Jean Davisson, and Ada Kojima.

Forwards: Angelina Colla, Faith Silveria, Dorothy Freitas, and Isabel Turner.

Centers: Elsada Chadbourne, Gertrude Mack, and Yoshiko Osada.

## BASEBALL

Baseball prospered well this year under its enthusiastic manager, Dennie Chadbourne. Practices were held at the beginning of the season, followed by several very lively interclass games.

## SPEEDBALL

Our shin-kicking sport, speedball, was met with much enthusiasm at the first of the term. The Sophomores and Seniors were the best bets in the interclass sessions. The Sophomores rose above the dust to claim the championship of the season, with the Seniors right behind them. The Freshmen and Juniors didn't have full teams, so they were left to share the lower honors.

The able manager was Angelina Colla, a Sophomore. The Captains were Evelyn Lewis, Freshman; Florence Goncalves, Sophomore; Rose Toselli, Junior; and Dorothy Tomasini, Senior.

The players selected for Varsity points were:

Goal	Elsada Chadbourne	R. F.	Wylde Pangburn
L. F.	Ada Kojima	L. H.	Alice Garnett
C. H.	Rose Goncalves	R. H.	Elaine Asanoma
L. W.	Yoshiko Osada	L. F.	Faith Silveria
C. F.	Florence Goncalves	R. F.	Angelina Colla
R. W.	Jean Davisson		

Substitutes: Evelyn Lewis, Ruth Otsuji, Lillie Low, Dorothy Freitas, and Helen Osada.

There were a total number of 32 girls out for this sport, 20 of whom qualified for first team points, and 5 reaching the standards for second team points.

## VOLLEYBALL

Volleyball season this year started out with a group of enthusiastic gals trying to bat the ball over the net. The game itself is simple and looks like it might be easy to play, but a lot of cooperation on the part of the team is needed. You can easily say that it takes a combination of brains and muscle and a reminder to be on your toes at all times.

The games are really exciting, and if you don't believe this, you should just hear the girls holler. They not only furnish the game but are their own cheerers, as well.

Elsada Chadbourne's managerial ability made the season an enjoyable one.

## MINOR SPORTS

### PING-PONG:

Ping-pong players have just completed their second successful year. This sport was originally meant for girls only, but soon was adopted by the boys as their favorite pastime. It has become the favorite of all the minor sports played.

To help pay for the up-keep of the balls and paddles, a five cent fee was charged to all those who played.

### BADMINTON:

Badminton is somewhat like tennis. The main difference being that instead of using a ball you use a shuttlecock made of feathers stuck into a cork and the court is considerably smaller. The object is to keep the shuttlecock off the ground by returning it over the net to your opponent. There are marked courts on either side which are similar to tennis.

This sport has been played with much enthusiasm and is a game that honestly gives you some strenuous exercise.

### ARCHERY:

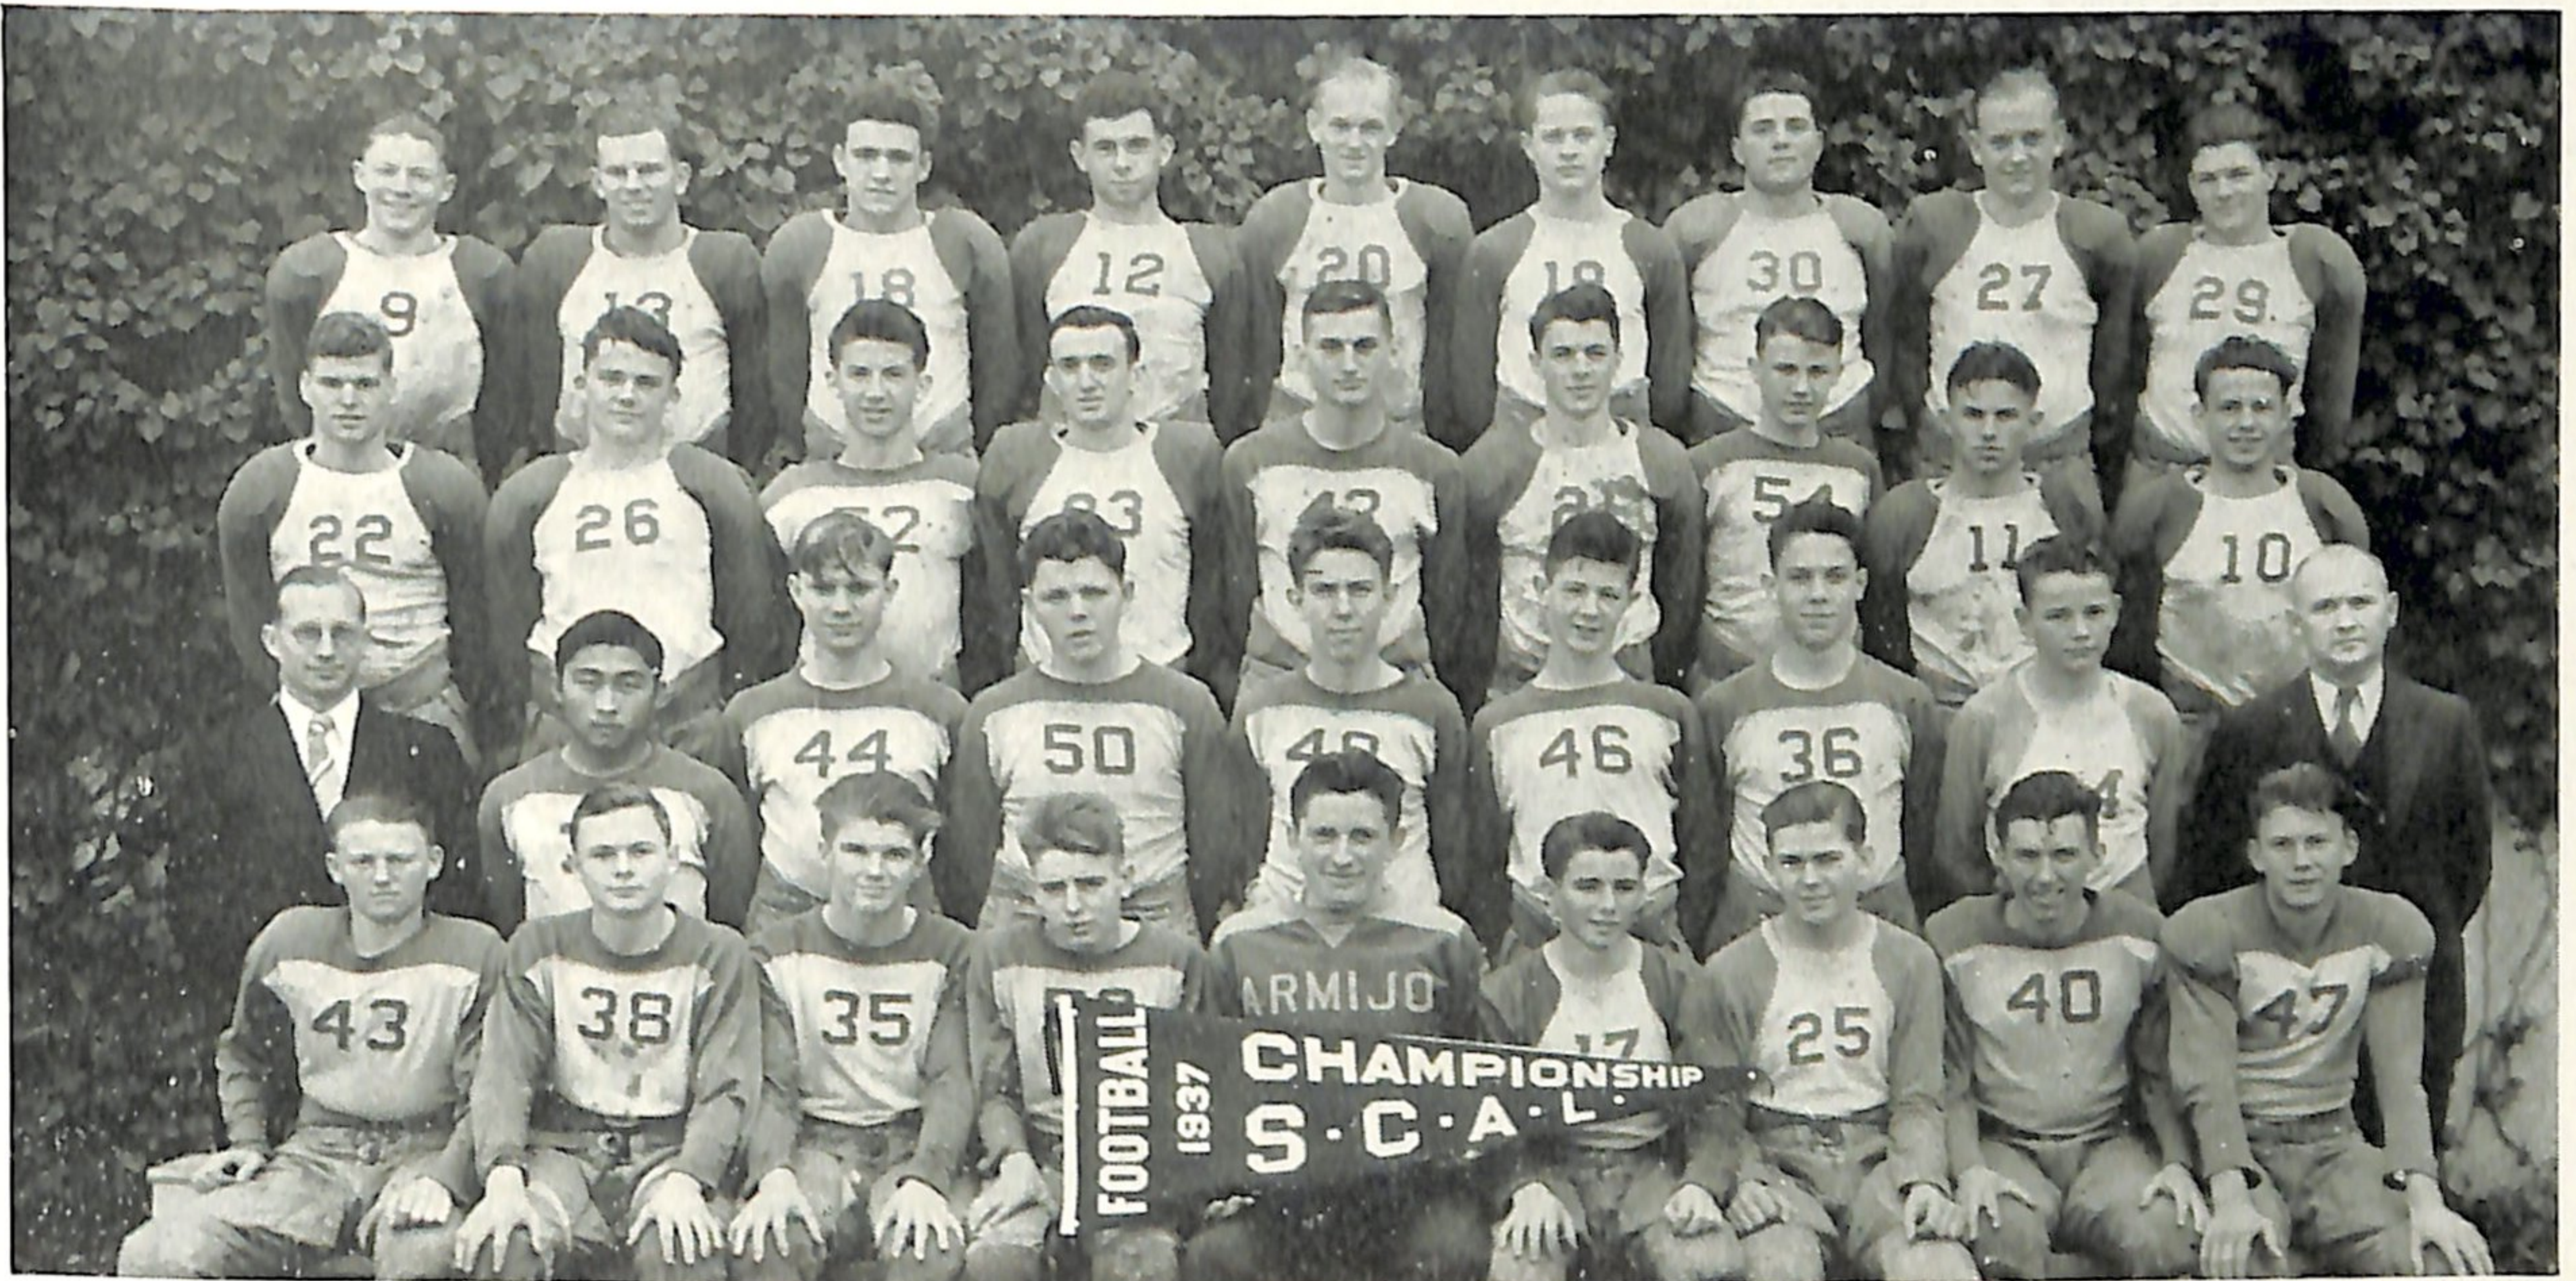

Archery was introduced at Armijo this year for the first time and was certainly met with a good deal of excitement and zeal. Olive Dowdell, who was elected manager, had a staunch group of followers.

The girls really were on the lookout for the bull's eye, but in most cases the arrows whizzed in quite another direction! There is more to archery than just shooting an arrow; you have to establish a point of aim, and know the correct way to pull a bow, have a good stance, and a firm, steady hand.

However, the girls improved in their technique and marksmanship and are looking forward to this sport for next year with eagerness. These followers of Robin Hood became adept at the art only through long practices and genuine enthusiasm.

S. C. A. L. CHAMPIONSHIP

TOP ROW: Clarence McFee, Louie Colla, Ralph Figari, Anselmo Toselli, George Maves, Robert Jones, Manuel Campos, Perry Smith, Herbert Thomas.

SECOND ROW: Robert Gein, Keith Ridenhour, James Hopkins, Ted Okeli, Donald Bertholdi, Edwin Wood, Charles Ridenhour, Jack Hopkins, Evo Carvalho.

THIRD ROW: Coach Bailey, Tadashi Nakamura, Sam Smith, Ray Erickson, Alvin Athey, Clarence Woodard, Donald Tomasini, Johnny Cooper, Coach Root.

BOTTOM ROW: Jim Jensen, Mike McInnis, Robert Thomas, Buddy Bailard, Irving Lambrecht, Ray Newkirk, Benson McGann, Billy Eichler, David Jensen.

Starting the 1937 season with ten lettermen, three of which were veterans of the previous year's championship eleven, the Armijo Varsity football team appeared to have fine chances of again copping the C. C. H. S. A. L. However, the team morale was very low at the beginning of the year and the first two games were dropped one to Davis by a 14-13 score and the other to Dixon by a 14-6 count.

Thoroughly disgusted with the team's showing, Coach "Buck" Bailey completely reorganized the squad and soon had them working much better as a unit.

The third opponent of the season was Galt, a team reputed to be the strongest in Sacramento County. Led by four of the fastest backs seen in prep football in this section of recent years, the Galt eleven was expected to win easily over the twice defeated Indians.

However, Galt found to her surprise that she couldn't spring any of her fleet backs into the open, and so succumbed to a 19-0 trouncing at the hand of Coach Bailey's charges.

Back in high spirits after this convincing win over the Sacramento county boys, the Armijoites eagerly took on the highly touted Rio Vista team and sent them home on the short end of a 13-0 score.

Because of Vacaville's poor showing throughout the year, the Indians were slightly overconfident when they met their ancient rivals and had a tough time eking out a 13-6 victory over the Bulldogs.

This win gave them the right to meet Davis for the Solano County Championship. Davis had already beaten the Indians in an early season practice contest, so it looked as if a real tough contest was in sight.

Playing on the Cal-Aggie gridiron, the Armijo gridders, led by Captain Louie Colla, took a 13-0 lead during the first quarter. The two touchdowns were made by Colla, one on a 65-yard run around right end, and the other on a line buck after the team had punched its way down to the Davis 2-yard line. However, Armijo's joy was short-lived, for Davis came back in the second quarter to score two touchdowns also, and bring the score at halftime to Armijo 13, Davis 12. During the third period, Captain Colla was forced to leave the game, thus leaving the team so demoralized that Davis marched straight down the field to the Indians 12. The Armijo gridders fought valiantly and just managed to stave off every touchdown threat. Finally, on the second play in the last quarter, Jack Hopkins intercepted a Davis pass on his own 5-yard line and rambled 95 yards to a touchdown that cinched the game, the final score being Armijo 19, Davis 12.

With the S. C. A. L. pennant tucked under their belts, the Indians went in search of other laurels.

After a two-weeks' layoff, the Armijo team lined up against Courtland for the play off of the semi-finals of Central California. Playing their worst game since the start of the season, Coach Bailey's men bowed to the Courtlanders by a 14-0 score.

So ended Armijo's 1938 football sojourn! Although they didn't win every game, the Indians had a team with which anyone should be proud to be connected, either as a player or as a member of the school.

## BASKETBALL REVIEW

Armijo's 1937-38 basketball season, while not being as successful as the 1936-37 campaign, provided the fans with many exciting, hard-fought games that made the local sports enthusiasts forget the Indian's long line of victories, and enjoy the toughest competition the S.C.A.L. has seen in years.

After seeing the turnout for basketball, Coach "Buck" Bailey anticipated a strong Bee team, weak C team and a mediocre Varsity five. He based his opinions on the fact that the B quintet was made up of two veteran members of his B team of the previous year that had gone to the semi-finals of the C.C.H.S.A.L. Thus he had a B team made up of experienced, championship players. The C team wasn't conceded much of a chance to take the County title because three of the first-stringers were Freshmen, and therefore quite inexperienced. The Varsity was the "X" squad. During the previous year, Armijo's varsity won but one game on the whole schedule, and three members of that team were candidates for this year's quintet. How good would the varsity be this year?

The beginning of the practice season found everything working out as predicted. The Bee's, although troubled with the wrong mental attitude, managed to win most of their practice games. It was to their advantage when they lost because it helped them mentally. The C's struggled through the practice season with but few victories. The varsity lost most of its games but all by one or two points.

Then into the league campaign! The first tilt was against Rio Vista who was supposed to have powerful A and C teams. Playing on Rio's court, the Armijo midgets surprised everyone by taking a lead which they held at halftime. However, inexperience told its tale in the final half as the River boys swept past the Indians to win by a 21-11 score. The B's took the floor and easily polished off the Ram lightweights by a 27-16 count. Then came the Varsity contest. Armijo took an early lead which she held until the third quarter when a Rio Vista rally pulled the Rams out in front to win 29-23.

While Rio Vista was entertaining Armijo, Vacaville had gone to Benicia, and everyone was much surprised to hear that the Benicia Varsity handed Vacaville a severe whipping. Also, the Vacaville B's licked Benicia by a 71-20 score. Therefore, Benicia must have a strong A quintet and Vacaville a powerful B team.

The second league game was against Benicia on the Armijo floor. The C's and B's won easily, the former 29-5 and the latter 44-11. The fans expected a real tussle between the varsity fives but were surprised to see Armijo's defense stop every Benician attack while the Indians poured it on to win 46-31.

Great was the astonishment when it was learned that Vacaville's varsity had upset the Rio Vista unlimited, thus putting Coach Bailey's A team into a tie with Rio.

The following week, Armijo was the host of Vacaville. The Indian C's showed surprising improvement as they took the measure of the Bulldog midgets by a 19-11 count. The B contest was hard-fought from the opening whistle on as the Armijo's "X" team looked good as it drubbed the Bulldogs 29-15.

Then news came from Benicia where Rio Vista vied with the Benicia fives. Benicia varsity had taken the Rio Vista heavyweights into camp. This upset put Armijo out in front with two wins and one loss. Rio and Vacaville each had one win and two losses, and Benicia was tied with the Indians with two wins and one defeat.

Armijo's next games were at Benicia. Benicia A's were yet to be defeated on their home court. The Indian C's held on to their second place standing as they defeated the Benicia-ites 33-13. The B's won 41-16 to keep their record clear, and the A's showed amazing ability as they drubbed the Benicia team 37-17.

Rio Vista evened her early season defeat at the hands of Vacaville by soundly thrashing the Bulldogs. Evidently the Rams were coming out of a two weeks slump.

Now came the return engagement with the River boys. If Armijo's C's lost, they were out of the running for the Championship. If they won, they would earn a tie with the Rams. Rio Vista took the floor with a confident air. They didn't expect any trouble from Armijo. However, they soon found out that the Armijoites were not nearly as weak and inexperienced as in the first encounter, for the Indians swept into an early 11-1 lead which they never relinquished as they went on to win 25-17. The B's retained their hold on first place by defeating the Rio B's 40-23 and then the varsity contest got under way. Armijo took an early lead and for awhile threatened to build up a large score, but the Rio Vista quintet staged a rally that overhauled the Indians and gave the Rams a last-minute 30-27 victory. It was the second time

that Rio had come from behind to nip the Armijo five, and it put the two teams into a tie with Benicia for first, Benicia having licked Vacaville a second time.

It was now necessary to win three games from Vacaville, Armijo's ancient rivals. The C's had to win in order to gain a play-off with Rio Vista. If the B's lost, they would be thrown into a tie with the Vaca B's. If the varsity lost, it would lose its tie with Rio, and the winner of the Benicia-Rio Vista tilt would be champion.

Much to the chagrin of Armijo supporters, the Vacaville C's were a greatly improved team and had little trouble in crushing Armijo's title hopes with a stinging 24-12 victory. The Indian B's, determined to not let this same fate befall them, turned in a great game of ball-handling and shooting to win by the score of 32-21. The Varsity licked the Bulldogs 32-18, to gain a play-off with Rio, who defeated Benicia.

Armijo Bee's were now S.C.A.L. champs. They were the only team to go through the league schedule undefeated. The varsity play-off ended just as the other two games had. Armijo led throughout the contest but lost out in the final minutes by a 27-25 score.

Now the B's, seeking further laurels, went to Sacramento to meet the Dragons in a play-off for the Big Five championship. Sacramento had a strong team and built up a large lead on the shorter Armijo team in the first few minutes. At half-time the Dragons led 14-6, and at the third quarter mark were in front 25-14. Armijo supporters had just about given up hope when the Indians started a rally that pulled them up to a 26-26 tie with the Sacramento boys just before the gun went off. Although they had outplayed their opponents in every department during the final quarter, the Armijoites lost their pep after a five minute intermission before the extra period and lost out 30-26.

Thus ended a season that started with a wondering outlook, headed into the final stretch with great possibilities, and ended very dismally. Few pennants were won, but much material was discovered that will make next year's teams the finest in this part of the state!

## CLASS A BASKETBALL

The Varsity basketball squad, competing in a wild campaign which saw every team defeated at least twice, continued in first place until the final stages of the schedule when she was toppled from the first place by a team that had been beaten by teams the Indians licked, but which the Indians could not lick themselves.

This team was Rio Vista, who beat Armijo in the first league game of the year. Until then, the Indians had had a mediocre practice season, winning less than half of their games. The river boys beat the Armijoites 29-23 after being behind for three-quarters of the game.

In the second league encounter, Armijo polished off the then unbeaten Benicia five 46-31. Vacaville upset Rio the same night to put all four teams into a tie.

The following week, Coach "Buck" Bailey's Varsity quintet handed Vacaville a 29-15 licking. Benicia defeated Rio Vista at the same time to put Benicia and Armijo at the top.

At Benicia a few days later, the Indians won 37-17 to take an undisputed hold on first place. Rio Vista, following one game behind, then came back into the picture by defeating the Armijo boys in a last minute rally by a 30-27 count to again put the two teams into a tie.

Armijo handed Vacaville a 32-18 beating to gain a play-off with Rio who had eliminated the Benicia five. This play-off ended exactly as the other Armijo-Rio Vista games had. The Indians lead throughout the game but were edged out in the last few minutes to take a 27-25 defeat.

The Varsity letter-winners were: George Maves, Francis Scholl, Manuel Campos, Louie Colla, Salvadore Bayona, Ernie Mack and Chris Schandorff.

### CLASS B BASKETBALL

For the second consecutive season, the Armijo B quintet marched through the county league schedule undefeated only to meet their waterloo in a playoff for the championship of another section.

From the first of the season, it was well known that the B's had a strong outfit, for two of the members were veterans of the previous year's championship five, and three had been regulars on the 1937 Central Cal championship C team. With such experienced men in every position, and several very capable reserves, the squad appeared to be headed for a very successful year.

After losing three games during the practice season, all because of over-confidence, the B's started their league campaign with a 27-16 victory over the highly rated Rio Vista lightweights. This was followed by an easy 44-11 win over Benicia and the Indians found themselves facing the powerful Vacaville Bulldogs. The tilt was a hard fought defensive tussle, Armijo eking out a 17-16 decision. Against Benicia the Indians won 41-16 and then licked Rio 40-23 to take a definite hold on first place. In playing Vacaville for the deciding game the Indians played a superb brand of basketball to win 32-18, giving them the S. C. A. L. Championship.

The contest with Sacramento for the Big Five Championship ended in a heart-breaking defeat. Sacramento accustomed to their large floor built up a 14-6 lead by halftime and were leading 25-14 at the third quarter mark. A spirited rally by the hard fighting Armijoites pulled them up to a 26-26 deadlock just before the final gun, but their pep was lost in waiting for the overtime period and they lost out 30-26.

It was a tough one to lose for the Indians had one of the finest teams Armijo had had in years and it was only that Sacramento also had a powerful team together with the advantages of a home court that they were able to defeat the fighting Fairfield boys. The five regulars were: Jack and Jim Hopkins (Captain), forwards; Ridenhour, center; Valladao and Gein, guards; other letter-winners were: Athey, Osada and Asis.

## C BASKETBALL

Starting the season with but two returning lettermen, Coach Carol "Buck" Bailey had little hope of guiding his Class C basketball quintet to a championship. After working long hours with the numerous Freshmen prospects, he finally picked out a team made up of Perez and Munoz, Forwards; Chan and Campos, guards; and Woodard, center. This team, while lacking in experience, had height, speed, and most important, the ever-trying, never-give-up spirit.

The practice season came and went, and still the C's looked very unimpressive. They had won but few of the games and those against teams that were known to be weak.

Then came the league opener. Meeting the highly touted Rio Vista Rams on the latter's court, the Armijo midgets played above their heads in the first half to hold a small lead. However, the more experienced Rams came back in the final stanza to smother the Armijoites by a 21-11 score.

Against the weak Benicia five a few days later, the papooses showed great possibilities as they won 29-5.

Then came the annual battle with the Vacaville Bulldogs. The teams went into the tilt at even odds, both having bowed to Rio by similar scores. However, the Armijo five displayed remarkable improvement as they whipped their ancient rivals, 19-11.

Meeting Benicia in a return league encounter, the Indians again triumphed, this time, 33-13.

Then for the second engagement with the Rams. If Rio won this game, she would cinch the class pennant. But, Coach "Buck" Bailey's charges had no intentions of letting Rio Vista win it so easily, and put on a dazzling exhibition of sharp-shooting and tight defensive play as they walloped the league leaders 25-17. Thus put into a tie with the Rams, the Indians had but to lick the Bulldogs once more to gain a playoff with the river boys. But this was easier said than done. Vacaville was a greatly improved team, and this, together with catching the Armijo boys on an off night aided in giving them a decisive 24-12 victory over the Fairfield boys, which totally demolished the latter's title hopes.

The Class C letter winners were--Frank Munoz, (captain) Lockie Chan, Herman Campos, Tony Perez, Clarence Woodard, and Claire Hansen.

### Log of "Captain" James Hopkins

Name of Ship: S. S. Armijo.  
Position: Far away from shore.

Left Suisun on June 1, 1950, via Suisun Bay. I was quite surprised and shocked when I found that Glen Reams and Claude Belon were signed on my ship for stewards. Most of my graduation class were on board.

When the first gong rang for dinner, it was not a surprise for me to see Charlotte Bailard barging into the dining saloon. It seems Charlotte and her two old side kicks, Wylda Pangburn and Ruth Siebe were going to the South Sea Islands to look for romance. As we were passing an island, these three spied three cannibals. They immediately fell for them and demanded that the ship be stopped so they could go onto the island. Through my glasses I could see that they all got on very chummy--these three have not been heard from since.

On our second day out I met Mickey Scally McFee. Mickey was taking a trip around the world after burying her third husband. Poor Clarence, while singing at the Roxie theater, swallowed his tongue. It is rumored that Clarence just couldn't stand the thought of keeping quiet so he died with a broken heart. Mickey is seen constantly with that gigolo, Eric Reutern.

Miss "Tempermental Don't Call Me Crane" favored the ship with several solos. Ruthe is now singing at the famous Oasis in Suisun. Her accompanist is Yumiko Oino. That romantic couple, Joe Osada and Alice Otsuji, finally tied the knot and are on their honeymoon to the islands. The dashing extraordinary good looking hero of our school days, Herbert Thomas, is on a short vacation after trying to get the part of Dave in "The Trail of the Lonesome Pine" for twelve years on the New York stage--he was unsuccessful. Howard Brame, the noted violinist, on his way around the world, was so broken up about Charlotte's escapade that he was confined to his stateroom.

Mary McCarron was seen on deck with our ex-journalism teacher's three children. Mary was seen making eyes at the deck hand, Perry Smith. James Anderson is on his way to Tahiti where he is going to open a drug store. The Lebedoff sisters, Emily and Nora, are going to be clerks and soda jerkers. Ted Okell made so much money off of his turkeys that he is taking a trip around the world. He was accompanied by his secretary, Billy Eichler, who is quite a heart throb among the ladies.

Lois Morgan and Mildred Black, both old maids, are on a world cruise. Lois is teaching bookkeeping at Armijo and Mill is Latin teacher. Buddy Serpas, who is now the president of a chain of candy stores, is taking a trip with his wife, the former Gert Mack, and their two children. Lillie Low, who has inherited her uncle's Dollar Stores, is taking her husband Lockie Chan on a honeymoon. After the honeymoon they plan to go to China. Victoria Pierce is on her way back to New York where she will enter an art school headed by Arthur Gilbreath.

Alice Toselli is taking a trip to Chicago with her mother before her coming marriage to Preston Whitney, the mayor of Suisun. Edwin Wood also turned out to be a mayor. He is mayor of that thriving little city, Tolenas. George Maves surprised everybody by marrying Kathryn Jacobson. George and his wife are taking a summer cruise. George is the principal of the Cordelia high school. Bern and Dennie Chadbourne were seen on deck with two very handsome foreigners. Bern still has the flirting habit. Elaine Asanoma and Shizuko Nishimura are both on their way back to Japan. Elaine is secretary to a banker and Shizuko is an interpreter at the same bank. Seen on deck were Lorraine Weir and Dorothy Tomasini. Both were doing some tall flirting. This is not unusual for Lorraine but when I saw Dot deliberately trip some nice young fellow and ask him for a dance, that was too much.

Mary Terra and Bea Pimentel were found as stowaways and had to get to work as chamber maids to pay their fare. Louis Colla, who turned out to be a soldier of fortune, passed our ship the other day with his own boat. He was on deck playing football with the crew. Vernon Lawrence has the job of running the ship's movies. Tonight he saw Emily Lebedoff walk into the room and Vernon completely forgot about the film and wrecked the machine. The film caught on fire and our ship firemen braved the flames to save the ship. The firemen were headed by Joe Enos. Tomoe Egusa was so lonesome for Shizuko that she hopped a plane and got on board at one of the ports.

When we passed Alcatraz we could see Bill Hallisey and Chris Schandorff out in the yard during play time with a little hot dog stand. They were fighting with two other convicts who gyped them out of sales tax. Francis Scholl is now on a well-earned vacation after coaching basketball at the well known girls' school, Vassar. On our last night out we had a beautiful wedding ceremony. The wedding was that of Rose Goncalves and Claire Hansen. Reverend David Jensen performed the marriage. Keith Ridenhour acted as the best man. Keith is the captain of the Birds Landing police force.

1934--1938

I'm sitting in study hall, just thinkin!  
Four years have gone by; I'm through  
But you who come here after me,  
The things I've done, you'll do.

Remember our first year, kids?  
How quiet and scared we'd be.  
We were not thought smart at all,  
Being mere Freshmen, you see.

Things changed when we were Sophomores.  
We defended ourselves with might.  
Being out of the "greeny" class  
Our future was cloudless and bright.

We swept all before us as Juniors  
We gave the best Prom in years.  
Our school spirit came first with us  
To all sports, we added our cheers.

Now that we are Seniors  
We've been tried and found true  
It will always be "Armijo for us!"  
And we hope--Armijo for you!

My years are cram-full of memories,  
I've hardly a thing to regret.  
All my thoughts of Armijo.  
Are of pleasures I'll never forget!!!!

## TENNIS

With an unusually large signup for tennis this season, Coach James Barkley looked forward to another championship squad. Although he had much good material, there seemed to be a slight lack of interest among the feminine racquet wielders. This, together with the interference of other sports with the boys' practice, caused him no end of trouble in molding players of championship calibre.

In the Southern Section tournament of the S. C. A. L., only two teams emerged victorious, the first boys' singles and the girls' doubles. James Hopkins was the victor in boys' singles and Ruthe Crane and Kathryn Jacobson won the girls' doubles. The other teams that were eliminated in the section playoffs were---William Valladao--second boys' singles; Yoshika Osada--second girls' singles; Lucile Siebe--first girls' singles; Manuel Campos and Ray Newkirk--boys' doubles.

James Hopkins then won the County championship when he defeated the North section winner from Winters, 6-2, 6-4. At the time this article goes to press, the girls' doubles team is preparing for their championship tilt with Clarksburg for the S. C. A. L. title. Ruthe Crane and Kathryn Jacobson will represent Armijo in the playoff.

## TRACK

After winning the Southern Section championship, the varsity trackmen fell before the onslaught of the most powerful Esparto track and field squad ever to enter the County meet. Because of the relay team's failure to place, after dropping the baton, Armijo finished in fourth place behind Davis and Rio Vista.

The class B tracksters, after succumbing to the superior man-power of Vacaville in the Section meet, lead all the way in the County championships only to lose out because of Vaca's winning relay quartet.

The class C cindermen were not expected to gather any more than one or two points, but surprised us by coming through with 6 1/3 digits to take third place behind Rio Vista and Vacaville.

#### TRACK AND FIELD

The sign-up for Track this year was the largest in Armijo's history. After two weeks of training, the varsity squad was cut to nineteen men and this team was entered in the Southern Section meet. A squad of twenty-one men was entered in the limited division. There were very few candidates for the C team. Since this material went to press before the meets were started no scores or times are given, but the Armijo tracksters competed as follows:
